

**Hungarian Pumi Club of America  
Annual Membership Meeting  
April 11, 2009  
Heritage Shores Country Club, Seaford, DE**

The Annual Meeting of the Hungarian Pumi Club of America was called to order by Chris Levy, President, at 9:10 pm.

Thanks to Kathy Donovan for hosting Pumifest 2009 and doing a wonderful job for all the events.

Pumifest 2010 will be held in the Oregon/Bay Area chaired by Ginger Butler.

Pumifest 2011 will be held in South Carolina, with Meir Ben-Dror as Chair.

Chris reported to the membership that we now have 112 AKC/FSS registered Pumi. Diane Bushwick is working on the Pumi Census. We have 23 states represented, and 98 Pumi identified at this time. Diane plans to continue to locate and record all known pumi in the US. AKC recognition requires 20 states represented with over 300 dogs.

Ginger Butler mentioned the excitement the Pumik received at the Rose City Classic, of which there were 3,000 dogs of all AKC breeds entered. The Pumik were in the FSS Booth with other rare breeds, and were a big hit. Animal Planet was filming there, and took particular interest in our breed.

Tom Levy will be notifying Animal Planet for a piece they may do next year on the Pumi.

The meeting was adjourned at 9:16 pm.

Respectfully Submitted,

Diane Bushwick, HPCA Secretary.

## President's Report – 2009

Chris Levy reported that we have on record 112 AKC/FSS registered Pumik with three-generation pedigrees. There are an additional 2 recorded Pumik without three generation pedigrees. Last year at this time we had 102 registered.

Chris strongly suggested to the breeders that future litters should be registered first with AKC/FSS before selling the puppies since the owners sometimes forget to do so. Or, at the time of puppy pick-up, the new owner can name the puppy and sign the papers on the spot.

Chris reported that we received a list of all the titles earned by Pumik from the AKC.

Congratulations to the following:
